Royal Litholube #2

Multi-purpose Grease

Litholube Multipurpose Lithium Grease is premium lithium grease designed for both automotive and industrial applications. This grease is formulated from fully refined quality lube stocks, high quality lithium soap and additional additives to further enhance its lubrication effectiveness and bearing protection.

Litholube Multipurpose Lithium Grease has excellent temperature stability and will not melt at automotive service temperatures. It has excellent pumpability and is able to be dispense through normal equipment.

Product Features:

- Superior bearing protection
- Excellent temperature stability
- Great pumpability for easy use

Customer Benefits:

- Lithium soap thickener for enhanced lubrication
- Protects equipment from rust and corrosion
- Able to be used on a number of applications

Applications:

- Litholube Multipurpose Lithium Grease is recommended for grease lubrications of water pumps, universal joints and regularly lubricated chassis points on cars, trucks, buses, tractors and mobile construction equipment. It can also be used for various light duty industrial applications.
Typical Properties

Royal Litholube #2

These properties are typical of the current production. Variations that do not affect product performance are to be expected depending on blending and manufacturing locations. The information above is subject to change without notice.

Health and Safety:
This product is unlikely to have any adverse health implications or safety hazards when used for its intended application. Avoid contact with skin, use resistant gloves when handling used oil. If skin comes in contact wash immediately with soap and water. For complete information on safe handling and product characteristics please refer to the Safety Data Sheet (SDS) found on our website. www.royalmfg.com or call (918)-584-2671. Packaging options:

- 15 oz. Tubes
- 35 Lb. Pails
- 120 Lb. Kegs
- 400 Lb. Drums
- 2,000 Lb. Disposable Totes
- 50,000 Lb. Bulk
