

## Royal Supergun Grease

### ***Multi-purpose Grease for Automotive Lubrication***

**Royal Supergun Grease** is red colored, premium quality lithium base grease developed specifically for multipurpose automotive lubrication. It is made with fully refined base stocks and high quality lithium soap for its compounding. Its enhanced additive treatment improves this greases effectiveness and rust protection.

**Royal Supergun Grease** has excellent temperature stability and will not melt at automotive service temperatures. Since it is complete with a high level of oxidations and corrosion inhibitors, it will protect bearing parts made with steel, copper as well as alloy metals and since it has superb water resistant properties it can protect working parts in all weather conditions. This grease is easily pumpable a can be handled with normal dispensing equipment.

#### **Product Features:**

- All-climate, year round performance
- Improved component protection
- Made with high quality base oils and soap thickeners

#### **Customer Benefits:**

- Protects applicable machinery year round
- Can be used in a number of applications
- Affordable but also high quality

#### **Applications:**

- Recommended for the grease lubrication of water pumps, universal joints and regularly lubricated chassis points on passenger cars, trucks, buses, farm tractors and mobile construction equipment. This product is also used for general industrial and farm lubrication where lithium grease is specified.

## Typical Properties

### Royal Supergun Grease

Product Number	903RA	Test Method
Color	Red	Visual
Texture	Smooth, Short Fiber	Visual
NLGI Grade	2	ASTM D 217
Worked Penetration	285	ASTM D-217
Drop Point, °F	320	ASTM D 2265
Viscosity @ 40 °C, cSt	152	
Viscosity @ 100 °C, cSt	11.9	
Viscosity @ 100 °F, SUS	813	ASTM D 445
Viscosity @ 210 °F, SUS	67	
Type of thickener	Lithium Stearate	-
Soap %	10.48	-
Oil Separation ; %	4	ASTM D 6184
Rust Test	Pass	ASTM D-1743

These properties are typical of the current production. Variations that do not affect product performance are to be expected depending on blending and manufacturing locations. The information above is subject to change without notice.

#### Health and Safety:

This product is unlikely to have any adverse health implications or safety hazards when used for its intended application. Avoid contact with skin, use resistant gloves when handling used oil. If skin comes in contact wash immediately with soap and water. For complete information on safe handling and product characteristics please refer to the Safety Data Sheet (SDS) found on our website. [www.royalmfg.com](http://www.royalmfg.com) or call (918)-584-2671. **Packaging options:**

15 oz. Tubes

35 Lb. Pails

120 Lb. Kegs

400 Lb. Drums

2,000 Lb.  
Disposable Totes

50,000 Lb. Bulk
